The Chronicles of King Arthur - Episode 1: Excalibur is a 4x3 match-3 puzzle game that follows the epic plot of the legend of King Arthur and the myth of Excalibur. The story begins when King Uther Pendragon called the Knights of the Round Table back from their missions across the kingdom. The King has only one wish - to finish his life with the vow that he would not repeat his mistakes and would provide his successor with legitimacy and peace. And then he heard of a boy who was born on the same day as he, who would inherit his throne and his empire. The King sent his most trusted general and Knights to spy on the boy and to bring him back to the castle. The Knights decided to show the boy the wonders of the world, so they send him to various locations across the kingdom. The story is about the fate of the young Arthur and the struggles of the Knights of the Round Table to return the loyal King and save the kingdom from the darkness he has brought. -Classic story of King Arthur in a mix of comic and puzzle gameplay -70 exciting levels with additional challenges -Fantastic designs and characters -Play as one of the 5 characters and help Arthur conquer the throne Revolutionary, Epic 3D iPad Port of the HUGE HIT MOBILE GAME!
