Rian Johnson has given his first official interview about the upcoming third episode of The Last Jedi. He took part in a chat with AVClub today about the forthcoming film, which you can read in full here. The most relevant tidbit? Star Wars fans will be able to see Rey's secret past in Episode VIII. Johnson had planned for Rey to be shown having an Obi Wan moment, but to have it take place on the First Order battleship. This proved too costly for Lucasfilm's budget, so the animators found a way to replicate the moment in a more cost effective manner. Rey will be shown looking around the ship for a few seconds before seeing Luke, then she'll be confused, wondering what the hell is going on. Episode VIII - The Last Jedi - Star Wars.
