Two men from India land in Karachi, Pakistan, without passports. They fall into the Taliban's trap and are desperate to find a way back to India. In the center of the story is a young woman who becomes an unwitting witness to the murder of her brother. She tries to run away to inform people about the crime, but she is killed. For the film "I, Jackie Chan" - this is the third production of the Chinese film company China Film Group, which has long been world-famous. So, in terms of cinema, we can say that the "Jackie era" began in China.
